EXPERIENCE

2026 – PRESENT

Founder & CEO (solo)

Grant Goblin · grantgoblin.com

- An app that surfaces funding opportunities for founders and helps prepare applications, productised from the pipeline I run for my own companies.
- Landing page live; the app is not yet public. Built solo with AI coding and design agents.

07/2026 – PRESENT

Founder & CEO (solo)

Tidewick · tidewick.quest

- A cosy mystery game that teaches options trading without the Greeks: you return to your coastal town after your father's death and make decisions that decide whether it can be rebuilt.
- In development and not publicly live. Designed and built solo with AI coding and design agents.

02/2026 – PRESENT

Founder & CEO (solo)

Nomad Pro · nomadpro.ai

- Built and shipped an iOS app that helps British digital nomads track UK residency and Schengen days in five seconds a day, solo with AI coding agents, in 6 months.
- Live on the App Store since 22 August 2026, with Premium subscriptions live.

03/2024 – 03/2026

Head of Growth / CMO

Mighty Bear Games / GOAT Gaming

- Scaled GOAT Gaming to 5.5 million users in 2 months, reaching 100k daily and 750k monthly active users.
- Led go-to-market for game releases, NFT launches and a token launch.
- Managed a marketing budget of over \$600k across more than 15 countries.
- Partnered with 100+ Web3 communities and creators; drove ecosystem growth across TON, Base and EVM.

02/2024 – 03/2024

Chief Marketing Officer

Z3 Bros

- Launched the Army of Fortune Metaverse and developed the \$AFG token and NFT collection.
- Negotiated the token launch on Bybit, KuCoin and MEXC.
- Built community through go-to-market campaigns on Telegram, Discord and X.
